National Numeracy Day

20 May 2026

Tuesday 14th April 2026

Dear Parents and Carers,

We are excited to let you know that we will be celebrating National Numeracy Day on **Wednesday 20th May** in school.

To make the day extra fun, children are invited to come to school dressed as a number or as a "Times Table Rock Star". We encourage creativity, and costumes can be as simple or as imaginative as you like.

Throughout the day, the children will take part in a range of engaging maths activities designed to build confidence and enjoyment in numeracy. It will be a great opportunity for them to apply their skills in fun and meaningful ways.

To continue the celebrations, our Star of the Week assembly on Friday 22nd May will recognise our Maths Champions from the day, celebrating effort, enthusiasm, and achievement in numeracy.

We look forward to a fantastic day of learning and fun!

Kind regards,

Miss Davids
