Friday 13th February 2026

Dear Year 6 Parents/Carers,

We hope you are well. As we approach the SATs period, we are pleased to offer additional support to help your child feel fully prepared for the upcoming assessments. To support this, we will be running **SATs booster sessions** designed to give focused help in key areas of learning such as Mathematics, Reading, and Grammar, Punctuation, and Spelling (GPS).

The sessions will be held on **Tuesdays and Wednesdays** from either **8am** or **3.15 pm to 4.00 pm**, starting on **Tuesday 24th February** and continuing until **Wednesday 6th May**. These sessions will focus on reinforcing key concepts and ensuring that your child feels confident as they prepare for their exams. **Your child will be informed of which sessions they will be invited to.** For the morning session, if the children wish to bring a breakfast snack they are welcome to. For the afternoon session, children are welcome to bring a snack and a drink if they wish.

These booster sessions are a fantastic opportunity for your child to receive additional support in a smaller, more focused group setting. We highly encourage all Year 6 students to attend, as we believe this extra preparation will greatly benefit them. Please ensure your child knows whether they are being collected or making their way home after each afternoon session.

I would also like to take this opportunity to invite all year 6 parents to a SATs meeting on **Thursday 5th March at 3.30pm** where we will go through the expectations, the dates for SATs and the papers that the children will sit each day; you will also have the opportunity to ask any further questions regarding SATs and how to support your child. There will also be some sample papers for you to look at which gives you the opportunity to see past papers and the expectations.

SATs Week 2026

Week Commencing Monday 11th May 2026

Monday 11th May – Grammar, Punctuation and Spelling
Tuesday 12th May – Reading Comprehension
Wednesday 13th May – Arithmetic & Maths Paper 2
