Friday 13th February 2026

Dear Parents/Carers,

We would like to give you as much notice as possible regarding our plans for the summer term trips. As requested by the children, we have put together a provisional breakdown of the trips we are hoping to run. We have tried to cater to every child's needs so hopefully there is something for everyone on the list!

All trips are optional, and your child is very welcome to attend as many — or as few — as they wish. Each trip will be added to School Money separately, allowing you to select the ones you would like your child to attend and make payments at your own pace.

Payment items will be uploaded to School Money after the half-term break, at which point you will be able to view full details and secure places. Please note, we are still waiting to hear back from some venues with their updated 2026 price lists so these are approximate prices. However, we don't expect they will chance much!

We hope this early overview helps you plan ahead, and we are looking forward to an exciting summer term filled with lots of memory making for the children before they leave primary school for their next adventure at high school.
